Please complete and return the survey on the back.

How To Set Out Your Yard Trimmings

- ✓ Place your BFI yard trims cart on the street in front of the curb, lid closed.
- ✓ Place extra trims in a clean, 32-gallon garbage can. Place the can on the curb, not on the street. (There's a 75 lb. weight limit per 32-gallon can).
- ✓ Remember, your yard trims cart must be set out with extra yard trims cans and bundles so that both may be collected. BFI trucks are automated and the hydraulic arm is designed to lift only the 96-gallon BFI cart.

Additional Information For Extra Yard Trims

- ✓ Attach a free sticker from BFI on your clean, extra yard trims can. Face sticker towards the street. (For extra stickers, please call BFI: 408-432-0444, TDD 1-877-463-1066).
- ✓ For tree trims and brush not fitting in the cart, tie with twine into five-foot bundles and place on the curb, not on the street. (*Please keep bundle diameter no larger than the width of your yard trims cart*).

REMINDER

- ✓ Grass clippings, brush, weeds, leaves, prunings, tree trims and trunks (less than 6" in diameter and 5' in length) **ARE ACCEPTED** as yard trimmings.
- ✓ Rocks, concrete, sod, dirt, plastic bags, loose fruit or vegetables and pet waste are **NOT ACCEPTED** as yard trimmings.
